### The Story:

I had booked for 2 hours, But due to a series of unfortunate circumstances I had to make do with 45 minutes. And what an amazing 45 minutes they were!

Jade came into the room and looked gorgeous she put her arms around me and we DFK with real passion.

Off came my clothes and Jade removed her knickers and bra and at my request kept on her suspender belt and stockings. I moved to the bottom of the bed and beckoned Jade to lay down, what a sexy view waspie suspender belt and stockings framing her lovely pussy which I then proceeded to explore with my tongue much to Jade's delight. We then moved to a face sitting position for another amazing view and experience. As I explored her tasty pussy and fondled her fabulous boobs, Jade pushed her pussy into my mouth and grinding herself into me she came with a shudder and a groan ? oh yes pure pleasure both for both of us.

More passionate DFK before moving into a 69 for more rampant oral, eventually moving into a semi-sideways position. Jade's oral technique is wonderful and I could have cum anytime but I knew how I wanted to finish!

Yet More passionate DFK with her tongue really deep, before I laid her on her back, straddled her chest and wanked myself while fondling her boobs with the other hand. Jade responded by eagerly licking me with her tongue and making some very sexy expressions. Nearing the point of no return I place my cock onto her tongue and wanked myself until I explode with a spurt on her tongue, into

her closing mouth I plunged, emptying myself for what seemed like minutes as Jade sucked on me while sliding her closed mouth up and down my shaft. Totally ecstasy! I had asked for a cum swap but when I finally pulled out there wasn't any to swap ? naughty girl!

Close on 45 minutes of rampant oral sex interspersed with passionate DFK with this hot, sexy gorgeous girl. Now I can't wait for Jade to come back from her holiday so I can book her again and get a full 2 hours with her!
