The Premises:

council style flat with parking oin view of the whole block , the flat was very run down inside with scruffy bedding , no where to place my clothes etc

The Lady:

average looking 30 something year old , reasonable body but you can tell its all going south and not that pert anymore , wore little make up which didnt help her looks

The Story:

went for oral and a facial , shes fairly keen to please and the facial nicley , its just the scruffy flat /bedding really took away from the experiance, id consider seeing her again but at that location
