The Premises:

clean basement flat near earls court road. Very modern, good shower and toilet, well equipped dungeon bedroom and a smaller, but still good vanilla bedroom at the back. Felt safe in the area given time of day, no one seemed to see me come and go.

The Lady:

Lisa is early 20's, pretty brown eyes, brown hair, about f506, very fit and toned, and nicely done boob job-I believe they're 34D. Beautiful smile, very intelligent and a nice person to talk to. She was wearing a sexy maids outfit when she entered, it didn't stay on for long.

The Story:

Im not into the whole dominant/submissive scene apart from a little tie and tease, so this is what I asked for and received from Lisa. She excelled in this, teased and turned me on and kept me on the edge for the whole session.

lovely kisser, amazing oral, and then she fucked me in several positions before I came.

very very good, will see her again.
