The Premises:

Detached house in industrial part of Brum cc and area in front of building makes it feel secluded enough and safe. In good condition and good shower.

The Lady:

Blonde mature lady with nice bum and boobs and positive attitude. Wasn't given choice of lady but became clear that 2 women there and the other was booked already.

The Story:

Wouldn't normally choose a mature lady but when with one they do tend to be good value and this was the case with Lorraine. After a shower was given a massage on a massage bench that almost entirely focused on getting me hard and did so in a nice way with a light touch while I fondled her bum and boobs.

Then we moved over to a leather long chair which Lorraine sat on to give me oral with.

Then on to this white leather chair with an S shaped profile for sex. I don't like leather as it is not slippy or giving (similar at Libra) and we had to work together to find a workable position but Lorraine was helpful and we eventually had a good time followed by hand relief.

So I left quite happy with my time, pleased with Lorraine as a partner and keeping Oasis in my head having not been back to it for many years since a couple of also well separated visits.
