### The Premises:

As you walk to HOD's London address you are struck by how sumptuous the buidings are. This is Kensington for FR sake! I was phoning from outside the address when the door helpfully opened and the maid kindly beckoned me inside. I was presented with a palatial waiting room with those nice overstuffed Leather sofa's. How can they afford such a gaffe ..... The bathroom I was directed towards, as I had due to incompetence and a 130 mile journey arrived 30 minutes early, was of a very good hotel quality standard. The room was tidy , well decorated, had lots of mirrors(!) and with a tasteful selection of magazines.

### The Lady:

She is very pretty. Her website pictures hint at this and her figure is well described. She has a firm young body (~22 years) with delicious skin. Not normally much of a skin man - but today I could not get enough of it...

### The Story:

Lolita is a switched on young lady. I explained what I had in mind and she could see at once what I wanted (needed )and went along with it with passion, feeling and understanding thus giving me a great time.

Beauty, brains and passion a rare mix - especially in a posh central London location.

BTW I got to bump into Tilly while I was there - Yummy - round deux... (?)
