The Story:

Beautiful Polish girl that I would see again. I offered her a glass of wine and we had some conversation that she hasn't been in London long and is a student.

She has a very nice slim figure with pale skin. FK was gentle but sexy. She didn't need to be asked for BBBJ and this she seemed to be really into. Then moved to better DFK, then back to BBBJ. She had her bra on during this, and it was very hot how the straps fell off and then she stripped completely.

Got on top and seemed to be into it. Then got up and bent her over for doggy. Wouldn't let me do CIM but very sweet about it so came over her breasts.

She left just before the hour was up and she asked if I had a nice time, and seemed very sincere
