The Lady:

Naturally good looking girl with pale skin. Very shy.

The Story:

Didn't get off to the best of starts because she was late, but agency did at least let me know.

She is good looking and has pale skin. Very shy at first, almost awkward, and quite happy for me to take lead and very compliant.

Wasn't keen to do DFK but gentle kissing was ok and she obviously wants to please. BBBJ was good and then I turned her around for excellent doggy, she has a beautiful little arse.

Finished with coming over her stomach. We actually went slightly over the hour as she had a shower which was nice to watch. She was even humming a little song, it was quite surreal. Offered her a drink but she declined.
