Long established parlour in central Cheltenham, currently located opposite St. James' Street car park. Clean and comfortable inside.

The Lady:

Maria is a larger lady with large boobs and curvy bum, and a pretty face. She is also friendly with a good attitude.

The Story:

I usually go for longer sessions but Maria had another client booked, so she agreed to fit me in at short notice. This is the second time I have seen her, with the last time being several months ago, but she still remembered me.

Not wanting to waste any time, and remembering I am an arse man, Maria removed her skirt and showed off her thong-clad bum to me as I undressed, providing a welcome and arousing view.

Once undressed, I stood behind her at the foot of the bed and she rubbed her bum against my stiffening cock, reaching back between her legs to stroke my balls at the same time.

A few minutes of this had me fully erect, so I dropped to my knees behind her as she leaned forward over the foot of the bed, and slipped her thong down. I buried my face between her cheeks and started rimming her. After a few minutes of this my fingers started to explore further and I discovered her fanny was nicely wet, so I slipped a finger in, and finger-fucked her while rimming her, which she seemed to enjoy.

I then moved my slippery finger up and into her arse, and fingered her lovely bum whilst she made encouraging noises.

It was then my turn, so she ordered me onto the bed on all fours, and put on a latex glove I had brought specially. After applying some lube she gently and expertly went to work on my arse, gradually working her whole hand in while stroking my cock and balls with her other hand.

I finished by wanking myself to a powerful orgasm while she worked my arse and squeezed my balls.

I look forward to seeing her again soon, hopefully for a longer session.
