The Premises:

Familiar place, well described elsewhere. On street parking and up the lift. Facilities are not great in terms of showers but rooms are OK and have some great mirrors to enhance the view.

The Lady:

Pretty, tall mixed race girl who is 18 yrs old. Jamie-Lee has lovely long legs and a perfect shapely bum with small perky tits. Her hair was up and she was wearing minimal make-up. Later I found out she was unhappy with her appearance, wanting to have hair extensions. Also she was looking to invest in some more up market and sexy underwear/outfits, which currently her budget would not stretch too. For now she looked more girl next door, which suits me fine.

The Story:

Jamie-Lee really likes sex and seemed to get very turned on during our session, if she was acting then I was convinced! We started with oral uncovered (?10 extra) which was good although she prefers not to suck balls. This oral soon turned into 69 and I was spoilt with a beautiful pussy all over my face for the next few minutes. After a clean up (I was covered in juices) we enjoyed DFK which continued throughout what followed. I then fucked her (covered of course) in a few positions before coming in a nice doggy. After a rest and a massage I was happy to leave.

I didn't ask what services were actually available and would like to see Jamie-Lee again to find out.
