The Story:

This was the first time i'd visited Tara. she gave me directions to her front door on the phone. I was invited in with the offer of a drink. I took a shower before we started. after my shower i was led to the bedroom. Tara was very friendly and really good company. I wont go into too much detail but i will say Tara was amazing. She put me at ease right from the start. She obiously loves her work. I cant wait to see Tara again. I will see her for longer next time.

Thanks Tara
