The Premises:

Tidy enough house near the Centre. Plenty of parking nearby. Room was clean and tidy, mirrors could have done with being bigger - but I'm being picky really.

The Lady:

Carla's new photos are fab and pretty accurate - but she's even better in real-life.

The Story:

Was greeted like an old friend - Carla's one of the few girls I've been to more than once, and with good reason. Was pleased to see her back (and her front!)

Lots of kissing, touching, rubbing and stroking (by both of us) before she stripped me - Carla's a lady who obviously enjoys her job and seems to know what you want before you do! She's enthusiastic and verrrrrry good - loves being stroked and kissed all over, which gave us plenty of time to pleasure *each other*.

Not one for too many details - but I can say was that it was a totally pleasurable half hour, with all that was hoped for fulfilled... and was rounded off by a relaxed chat and not feeling chased out.

I'll be back.
