The Premises:

Well known walkup, one of the most reliable IMHO

The Lady:

As described many times previously. Physically reminds me of the actress Sarah Lancashire. Perhaps put on a pound or two over Christmas but still very much the right side of plump.

Good English and lovely personality.

The Story:

Services in Soho are vanilla as everyone knows. Eva spices things up with uniforms. This time it was the classic French Maid, my fave. A decent cossie too, not one of those cheap rubbishy plastic ones. We did a bit of spanking as part of the foreplay then it was (excellent) oral, cowgirl, doggie and finish by hand. I got a couple of extras not normally on the menu because we we get on well, I guess. This does happen occasionally in Soho but one should never expect it.

Thereafter we settle down for an enjoyable post-coital chat and cuddles.

This is my third time seeing Eva and I have set myself a strict rule about not seeing anyone more often than that, but it will be hard rule to keep.
