The Premises:

Discreet ground floor apartment with own entrance in upmarket area. The apartment was clean and very well furnished inside and the bedroom warm and comfy.

The maid was also very friendly too, but this is always the case here, isn't it?

The Lady:

Attractive young English girl with hot figure and lovely friendly personality. This was the first (but not last) time that I've seen Tilly but it was as if we were old friends after just a few minutes - great girl!

The Story:

Started with nice, deep OWO, during which Tilly told me that she does CIM - hmmm, yes, later I thought!

Tilly sucked me nice and deep, alternating the technique, for about 15 minutes then it was my turn to return the favour, so I did, which Tilly seemed to enjoy.

Then it time for the main event, starting with Tilly on top - this girl has lots of energy - then we switched to doggy, during which I realised just how tight she was.

As I was nearing the point of no return, I asked Tilly if I could finish in her mouth, which she happily agreed to, so it was off with the condom, deep sucking, lots of eye contact, then whoosh, perfect.

Note to self: make appointment for next week!
