### The Premises:

place was ok, in the basement. No 4 stars hotel but was ok

### The Lady:

I wanted to try Monica after having read some other reviews. Very attractive Latino face, black hair and eyes, body is starting to show age, but still very desirable, nice smile.

### The Story:

I arrived at 52 Greek St and knocked but no one answered. I waited for about 5 min thinking that Monica was busy. After a few min I see Monica and another girl getting into the flat while I was on the phone outside. I knocked again and Monica and the girl (the maid) asked to wait a few min so that Monica could get changed. I did. Finally Monica opened the door and invited me in. I paid for 10 min straight sex. I speak some Spanish and I started flirting and joking a bit. She put condom on with her mouth. I asked her to take off shoes because I wanted to see her feet, which she did.

I liked how she received me inside of her, with moaning and squeezing parts of my body.

I fucked her hard but it felt like 3 minutes and the maid already knocked? I went on but after another while Monica giggled and said that we had to stop. Then looked a bit sad and asked 'why only 10 minutes...'

so I guess she was enjoying it too, I replied 'that's what I can afford, otherwise I would have stayed longer'. The fucking maid, quite frankly I really disliked her, she was constantly calling Monica to get back wherever. Monica hugged me and I did the same and told me to take care. I told her I would be back for more action, but I won't as the 'el-freako' maid put me off big time. I got the impression that she didn't like me fucking Monica or that she was jealous?

I just got the impression that in this punt something went wrong, the maid just gave me an unpleasant feel. I wasn't looking at the clock but all the other WGs I tried, even 10 minutes felt like 10 minutes.

I liked Monica as a person too, but hated the maid. Honestly. I won't be back, also Monica was more expensive at ? 32 total , especially for like 4 minutes penetration.

For ? 22 I can actually get TONS more, both for time and for satisfaction. Sorry to say that because

of my disappointing experience, I do not recommend Monica.
