The Premises:

Decent flat in a safe mixed council/private estate off Church Lane. Easy by car but quite a walk from the tube.

The Lady:

Good looking girl who seems more like a student than a WG. 20 y.o. but could pass for late teens. Reasonably slim body with small breasts. Rather fetching bright red dyed hair which goes well with her pale ivory skin. But her best feature is her strikingly good looking face with model type clean regular features.

The Story:

Polish girl with reasonable English. Not overly friendly but certainly not unfriendly. A strange combination of business-like and erotic in a getting-off-with-a-student-you've-picked-up-at-the-college-bar sort of way. Apparently she has been here for a year. Not sure how I missed her.
