The Premises:

Plenty of parking around and easy to find. Place was very nice, and room was good aswell.

The Lady:

As described, early twenties with blonde hair and a very nice body, though i will say she looks nicer in person than in her pictures.

The Story:

Arrived and decided to go for the hour executive massage. Iadied were shown to me and decided to go with Ashley. Shown to the room and had a drink. Started with a good massage with lots of contact, followed by a nice shared bath which inlded kissing, then finishing off on the bed afterwards. Ashley seems to know the right things to say and spent most of our time together rubbing her body over me.

I would recommend Ashley to anyone considering visting Soft Touch, and will almost certainly try to see her again!
