The Story:

Very nice. As one report points out, why doesn't Ashley get many recommendations? I think her clientele want to keep her a secret because she is everything a good GFE should be - soft, gentle, warm, patient and very sexy. (Something about her smile when she undressed slowly in front of me...that was hot)

It's always a pleasure seeing her but she is V.POPULAR - I haven't seen her recently and I have a sneaking suspicion that she may no longer be employed at Brooklynn's which, in my view, is a crying shame.

Definitely worth seeing at least once
