Profile Name: Charlotte - My Secret Life

Website: <http://mysexysecretlife.com>

The Premises:

Comfortable hotel, just around the corner from a very busy part of the capital. Felt very safe.

The Lady:

Charlotte is a voluptuous brunette, around 5'6" tall, with a real girl-next-door look about her. I really should make special mention of her lovely eyes...and her lovely boobs (all natural)! Her photos accurately represent her.

The Story:

By my reckoning this must be my fifth date with Charlotte. I'm always assured of a warm and very affectionate GFE, the kissing starts as soon as I walk through the door and only stops when I'm walking back out again! Frankly, I could kiss her all night, but we all have to go home sometime...

I enjoyed Charlotte's highly sensual OWO technique with a CIM finish (and she swallows, if that's a particular interest of yours) and indulged in some RO - she's a very responsive lover. All of this was punctuated by lots of intimate, friendly chatting and plenty of cuddling and caressing. She's also a qualified masseuse, which came in handy at one point when I got a twinge in my neck and she had to carry out some running repairs to get me back in the game!

Charlotte's a lovely and very open lady with a slightly bohemian attitude to life, and will happily chat on a variety of subjects. If you look at her website, you'll see that she also deals in the more PSE end of the spectrum and has quite a wild erotic imagination (and appetites) as well.

I have no hesitation in recommending Charlotte to anyone who's looking for a genuinely nice girl who can be gentle and loving, but also has an extremely naughty side.

You've guessed it: yes, I will be seeing her again!
