### The Story:

I was Serens first ever customer. She was great, real gfe. Although she said she was nervous, she didnt show it. Quite expert OWO. She had difficulty getting the rubber on, but once on, got into mish and I finished all too soon (my fault really). Unfortunately even though the mind was willing, the body wasnt for round two. Seren wanted to carry on trying to raise the pole, so to speak, but I knew I couldnt rise to occassion. She was lovely though and I'll be back. Be good to her
