The Premises:

Another of Annabellas' premises in Central MK, about 10 minutes walk from the place I'd just seen Rebecca for an hour. Equally good venue - clean, discreet, easy to find. All the arrangements were, as always, easily and professionally sorted.

The Lady:

One of the hottest girls I've ever known and much, much nicer than her pictures. Blonde, very pretty, lovely tits. Contrary to what she might tell you - she is not fat!!!

The Story:

Sally was top of my 2012 wishlist, so I was chuffed to find her on the schedule on the day of my one punting opportunity in January. When she came in, I told her I'd seen Rebecca already earlier and she seemed a little disappointed - like she was an afterthought. Babe, that couldn't be further from the truth. You were round 2, because I knew if anyone was going to entice an extra load out of me, its you!

As expected, everything about this punt was perfect. We started with a massage, and a good catch-up chat. Then some prolonged OWO, sex in most of the main positions, then a rest, more OWO and sex again. The climax in missionary was out of this world.

Apart from the privilege of having sex with such a gorgeous woman, its always great to see Sally because she's such a nice person. Always friendly, chatty and good company.

I should also say what a great idea it was to come over to MK for the afternoon. It involves a bit more travelling, but the girls at Annabellas are so worth the extra effort. I hope local guys know how lucky they are because there are very few, if any, other areas with so much choice and quality available.
