The Premises:

The Private club is not a parlour but a sex club where parties are organized with some girls hired to perform gangbangs and occasional swinger ladies. It's a safe and clean location.

The Lady:

Debs is a swinger lady in her early 30s, fit, toned, relatively small tits, brunette, previously performing at the club as "Mistress Debs" in non sexual domination events. Sandy is the same as Sandy from girlsjustforyou.co.uk in Halesowen and sex parties' organizer. She's a curvy, hot lady in her early 40's, very nice legs and breast.

The Story:

I am a members at the club, so I paid only ??40, non-members pay ??20 extra or buy membership. The party started at 12.30, when it started I was the only male, which was quite unusual, more males turned up later. Debs encouraged me to come onto the main bed, I asked if I could give her analingus, she agreed and we had a bit of oral games. Eventually my cock was hard so I penetrated her. The experience was very good and I came soon. Then I had a shower and came back after 15 mins. Both ladies were on the main bed and no other males showing up yet. So I offered Sandy a massage, which she accepted. It was a long massages and she appeared to enjoy it. Eventually the first single males started to show up, so I asked Sandy if I could have sex with her and she agreed. It was a very refreshing experience, she agreed to be kissed on the lips and there was an occasional exchange of tongues, which is not usual in the industry. I was still recovering from sex with Debs and I couldn't come so I asked her if I could masturbate and come on her. She offered to receive a facial which I accepted very eagerly. At that point I was physically destroyed, I could have stayed till 4 pm but I decided to leave.
