### The Premises:

My hotel.

### The Lady:

Beautiful girl, is definately her in the pictures. Nice latin looks, long dark hair and olive skin. She has lovely dark eyes and an incredible ass.

### The Story:

Veronica arrived at my room door right on time, I was in awe of her sultry looks as soon as I opened the door and saw her in the flesh.

Once her gift was out of the way she did a nice striptease for me, she is a good dancer and very flexible!

She gave excellent bbbj, lots of eye contact and playing her pussy at the same time. Veronica had me cum in her mouth, seeing this beauty sucking me off and looking over her head and back to see her sexy black underwear riding up her tight ass soon had me over the edge.

She then did a toy show for me, she soon was very wet and brought herself off quite nicely, i was soon very hard again.

She sat on my lap facing me first with dfk, then turned around so I could see that sexy ass. I got her on all fours, just had to have this lovely in doggie, when i was cumming she took off the cover and had me blow all over her tanned ass, perfect.

Veronica is a good and very willing young lady, she is up for it and also built for it!!
