Details of Service Provider:

The Premises:

Top floor flat - fit for purpose - porn on TV. Bad point, no names downstairs so you have to go up to find out and upstairs only names, no details - poor marketing - The Soho walkups page on Wikispaces helps though.

The Lady:

Tall, slim, dark-haired, pretty, pale-skinned, 20 y/o - biggish tits if a little droopy in one so young.

Claimed to be Italian but EE possibly Roumanian

Poor English for someone who's been here 6 months but pleasant personality nonetheless

The Story:

Started with kissing, breast play and OWO to get me going. Not services one usually gets in Soho BTW. Cowgirl, and then switched to doggy at which point the sesh was ambushed by an almighty hamstring cramp to which serious athletes, such as myself, are occasionally susceptible. I think it shocked her a bit when I jumped off mid-thrust and launched into what must have looked like those famous Canadian Air Force Exercises. Anyway got going again, and finished by hand, taking a chance on RSI.

No realistic conversation to be had so I made my excuses and left.

It might seem strange but I think I will come back to see her, perhaps in a few months when her English has improved.
