The Premises:

As before, flat near station and car park. Safe area. The room was warm!

The Lady:

Susie is from Thailand, mixture of Thai/Chinese. She said she was 23, quite tall(5'6"?) and slender with enhanced boobs and a ready smile.

The Story:

She was friendly and welcoming so decided to skip the massage and get on with it. Removed her bra and gave her boobs some attention and when I could see this was having the desired effect removed her knicks, lay her back on the bed, knelt on the floor and gave her little lotus blossom a good licking until she came.

My turn next with (covered) oral then she jumped on top of me and after a while suggested doggy which I did standing with her kneeling on the edge of the bed. Had to have her in mish for the final few minutes before we came to a mutually satisfying conclusion. Good session with a really lovely young woman.
