The Premises:

in a block of flats, ground floor, accessed by intercom with car parking on road. street wasn't that well used

The Lady:

typical young Polish girl with all the bits in the right places. nice figure for a 21 year old. solid breasts and a firm tummy. i just felt that she didn't look like a "Tiffany". could have chosen a more suitable name.

The Story:

bit of a muddle at first as there are two bedrooms & three girls and two people came at once (if you get my meaning). nevertheless she gave me such an enjoyable punt as asked. great owo, lovely fuck & a brilliant c.i.m. to finish, and for the 1st time after taking my load she wanted to lick it all off to clean me. they must teach these Polish girl back home how to enjoy themselves. this girl would have achieved a degree in this course. Maybe it's coz I said Ja kochem cie - (pronounced ya cockem chee)to her which is Polish for "I love you". must go back asap
