The Story:

After exchange a few emails with IP over my last visit I was offered a complimentary one. They explained that the reason some of the girls do not provide a full service to black guys is due to the size of our Manhoods!! I Wasnt sure if I should take this as a compliment or not! :) lol
Anyway back to the report I deecided to go for Amara due to her pics and the fact that she is new. I was not disappointed. She was a little reserved but still new what to do. I received a nice soft massage, nice slow and deep oral and sex in a few positions. Which she seemed to enjoy also. She was quite tight which was good and added to my enjoyment.
After chatted for a bit then was on my merry way.
