The Premises:

Clean, safe flat on a main road very close to Ealing Common tube station. Room was a large, warm lounge (not bedroom) with a high ceiling and a mattress on the floor. Basic but fit for purpose.

The Lady:

Vicky is a size 14 Polish girl with short hair dyed red. She has a couple of small tattoos and good size breasts with prominent nipples. Her face is quite attractive and she speaks good English.

The Story:

There was a request for information about this girl on the message board a month ago, so hopefully whoever posted it will read this - if he hasn't already taken the plunge himself!

After a slow start, this ended up being a pretty good punt at a bargain basement price. Vicky is a great kisser and has long suckable nipples which got plenty of attention from my mouth (as did her shaven cunt). Oral was covered and unremarkable, but sex in mish and then doggy was hard to fault. I'd paid for the hour to avoid being rushed and I think Vicky would have been game for a second round, but at my age two pops in an hour is usually beyond me so I made do with a shower and a bit of small talk while I was dressing. In retrospect it might have been wiser to chat a bit more at the start to loosen Vicky up as she'd seemed a little unresponsive at first (she did spend quite a lot of the time with her eyes closed which was a pity as they're one of her best features - along with those nipples!)
