The Premises:

A nice, easily accessible flat with easy (free)street parking within 2 minutes' walk and an underground station within 3 minutes walk. Access is a bit scruffy but fear not, it is discreet and the flat is fine inside, clean and nicely furnished.

The Lady:

Gwen is just gorgeous! Although she shows her face in her profile pics, none of them does justice to her sparkling smile and the twinkle in her eyes. In other respects her photos are accurate and give a good impression of her lovely, slim but curvaceous body. Her English is excellent (she is Spanish) and conversation enjoyable and easy.

The Story:

I have now seen Gwen three times and hope to see a lot of her in 2012. Physically she is perfect (imho) and she combines this with a friendly, welcoming attitude which would be sure to put someone new to this hobby entirely at ease. She combines this with being one of the hottest girls I've met in nearly 40 years of punting. Just holding her beautiful body in my arms gets the session off to a wonderful start and from there she plays you like a musical instrument and enjoys being played in return. We started by undressing each other before stretching out on the bed for a kiss, a cuddle and a chat, from there one thing led to another, as it does, and included all the things I was looking for, including kissing with enough tongue content to be exciting without engaging the tonsils in the activity! If more details are needed of the services provided, you will know where to look; if not you can PM me.
