The Premises:

Aloha is based in Gatwick but this was an outcall to a London hotel

The Lady:

As per pix on her profile page though younger looking in real life. 2Cute slim late teen girl (says she is 19 y.o.) with dark eyes a "strong" nose but nevertheless a pretty face. Goes by the name of Kurdishaloha but I doubt she is Kurdish. Looks more Arab/Jewish look, though I suspect she is actually a Romani from somewhere in the Balkans.

The Story:

Giggly flirtatious girl. Almost non-existent English but lots of smiles. I paid ?120 on top of the ?200 outcall rate for various extras so not cheap at the end of the day, but worthwhile to have a naughty time with a cutey. Her incall rates are incredibly good value so if I am passing Gatwick I will definitely indulge again.
