i spent an hour with caryn when she opened the door she had a big friendly smile and put me at ease immediately. she told me to undress and lie on the bed and took time to find my likes and dislikes caryn does a full g.f.e. experience her bj is to die for she sucked me until i nearly came i then took her doggy (anal) first then up her tight pussy she then laid down and gave me the option of cumming inside her or all over her i couldn't last so i had to cum inside her she knows exactly what to say when fucking her to get you going and keep that hard on.
