The Lady:

This is Maria, photos on the website are her for sure, and i'd go on to say she is even better looking in the flesh.

The Story:

After about 5 weeks of trying unsuccessfully to see Maria i managed to successfully do so. She was either unavailable or something else stopped us meeting, i just had to see her following the feedback here on Punternet as a rather good PSE.

Maria greeted me with a big smile and offered me a drink, we both went for red wine. She asked me to choose a costume from her wardrobe and i immediately opted for the sexy red and black gear she wears in several of her profile photos, plus some glossy black high heel shoes, very nice.

She started to kiss and cuddle which swiftly become sloppy deep kissing and passionate touching all over and onto the bed for a few minutes of 69 action where i licked her pussy and ass for a good 10 minutes.

She has a very sexy curvy tight body, very nice tits and ass too.

Soon i was rubbered up and we shagged in several positions for a while then i eased into her ass at her request (i wasn't complaining) and she welcomed my frenetic pace. I was rubbing her very wet pussy and grabbing her ample tits too, she orgasmed a few minutes later which was a definite plus. I then banged her ass from behind with us both standing, she took it all with ease, more kissing and groping at the same time.

The hour was almost up and she wanked me to completion, onto her face and back.

She is very pretty, sexy and full of energy and enthusiasm plus a lovely smile.

She is more of a PSE than GFE which suits my endurance, they are a rare breed. Only the likes of Briony and Cherry usually deliver an hour of Marathon sex all areas, so it's nice to see Maria ticks a lot of boxes.

Overall, i still rate Cherry as my number one, her relentless PSE nympho style makes her my first choice but i might go back to Maria and try some more hard and fast positions.
