The Premises:

very nice place imo the best walkup in soho. The area is safe a little out of the main rld area.

The Lady:

As field reports say as before. Mandy was the type of lady i like to be with. Found her very friendly with nice big boobies to look at.

The Story:

Well i was aiming for a longer session tonight but i could only have a short time as Mandy had to finish soon. I went with a basic oily handjob and mandy pulled her top down and let me touch the great tits of hers. wish i had my longer tome with her i would have enjoy it more but there is always another day. I will be back earlier next time Mandy. Very nice lady will return and you should give her a try.
