The Premises:

Nice hotel in nice part of town which she was using for her incalls
Safe, and parking no problem

The Lady:

Lauren is a mid twenties dark haired czech beauty with legs to die for. Very sexily dressed in black undies

The Story:

Started with some light kissing, moved on to oral both ways and sex in various positions.

I was happy and she seemed so.

Only slight issue was very strong perfume smell in room but windows open on way home sorted that - can be an issue for some guys with other halves with noses like bloodhounds !! Better than smelling awful i guess!

Would definitely recommend and was another country off my list!
