The Lady:

Wow! That's the first impression having only picked up that Amiah was quite young before going. Pretty, healthy body and lovely very full boobs. Chatty, smiley, confident all helped heaps too.

The Story:

Didn't really know who I was booking with as hadn't taken in details beforehand from site but loved Amiah from the moment she walked in. Everything is done covered but there's still lots of beautiful face and body to enjoy.

Started with a little cuddle and fondling and then off came the bra for a little play with very lovely full breasts. Moved on to OW and then to 69 and Amiah lets you know what's going on in her body without restraint.

All the time chatting easily, we moved on to sex in different positions with lots of compliments and more vocals.

A great find, a lovely intelligent and sexy young lady.
