The Story:

I booked an hour with Jade but when I arrived she was running late and as I only had limited time we agreed on a 45 minutes session. She was very friendly and welcoming and offered me a drink and a shower both of which I accepted. I returned to the bedroom and Jade was waiting for me. I joined her on the bed and we started kissing and cuddling. By now she was down to her undies and I took off her bra and she removed her knickers. She started fondling my cock and then moved onto OWO. After a while she positioned herself in 69 so I could lick her pussy. At her suggestion I then sat on the edge of the bed and she knelt on the floor and continued to give me OWO. The oral was really good and Jade was obviously happy to take it to completion but I knew I would only be able to come once in a 45 minutes session and wanted sex. So it was on with the condom and I entered her in doggie, what a view! In that position it wasn't going to take long and it didn't. Afterwards she cleaned me up and offered me a massage which I accepted as I knew I could not manage round two so soon. Then we lay together talking for a bit. She is very friendly and easy to talk to. I was fondling her ass and she asked if I would like to spank her. I was hardly going to refuse and she knelt on all fours and I gave her about a dozen reasonably firm but not too hard slaps. This was starting to arouse me again but I knew the train time was against me. I declined her offer of another shower and left feeling very satisfied indeed. Jade is a lovely girl who provides a good value for money service. I hope I will be able to see her again and this time for an hour.
