Nice basement flat 2 minutes walk from the tube station. Discrete and felt safe in the area. Clean and warm.

Beautiful young blonde, tall, slim and looks a lot better in person than her photos on the site.

The Story:

This was my first time with a dominant lady. I have been curious for a while about being dominated. I managed to get a bit of time off work and decided, after reading other reviews, to try London Retreat. When I arrived I explained to Rachael that I was interested to try some things, I didn't know what I would like, and that I was open to ideas. I did say I wanted to try being fucked with a strap-on. Rachael took the paperwork and then came back in with a dominant attitude. I won't go into explicit detail, but I was tied to a cross, had nipple clamps, electrics, was caned, spanked, forced to worship her with my tongue, and then had a variety of toys to stretch me out before Rachael took me with her strap-on. Then we finished with sex in CG and doggie. Overall Rachael delivered what I asked for. I didn't enjoy it all, but that was what I wanted to find out. I am not sure if I want to do this again, but if I do I will have no hesitation in going back to the London Retreat.
