The Premises:

Hotel on Wrights Lane which must get the majority of its income from working girls. Safe, large and anonymous.

The Lady:

Just like the photos. Charlotte's got a great body, lovely firm tits which are as good to handle as they are to look at, and nice legs. She's just come back from holiday so is tanned all over.

The Story:

Good in bed. I'd have liked her to take the lead a bit more, but that might just be me, and other guys might prefer to be able to take charge! She was certainly "up for it" and the action hardly stopped.

Great BJ, deep throat all the way, but I wanted to hold off for a bit so I licked her out and she tasted wonderful - she definitely enjoys attention down there! My turn next and I came in missionary. Charlotte wasted no time getting me hard again, and flipped on top and rode me till I came a second time. She wasn't satisfied with that, and after some more licking from me she wanted me to cum through a tit-wank - unfortunately three times in an hour was too much for me, but it certainly wasn't through lack of attention on Charlotte's part. A shower, a nice goodbye kiss, then I was back to work...
