The Premises:

Flat is clean and feels safe. The welcome is friendly and professional and the range of uniforms is extensive.

The Lady:

Danni is a very attractive brunette with beautiful eyes and a lovely sense of humour. She immediately put me at ease as we discussed my likes and dislikes. We settled on a naughty nurse theme and nurse Danni was fabulous

The Story:

This was my first time with Danni but it will not be my last.

She explained, in the most wonderfully calm and seductive way, that she takes pride in making her patients comfortable and happy. She then started a slow and sensual massage that got progressively hotter as her uniform came off and my temperature rose.

One hour later, wearing only stockings and having used poppers to take me higher than a kite, my nurse coaxed a huge sample from me (which she collected on her gorgeous breasts).

11 out of 10!! I cant wait for my next visit.
