The Premises:

Safe entrance off busy road. First floor flat. Bit run down, but basically clean and tidy. Shower worked and water was hot.

The Lady:

Her Craigslist advert said 52, but I would guess nearer 62. Quite a short lady shoing her years, but with good breasts, even if suffering a bit from gravity.

The Story:

She stripped off and gave me a body to body massage which consisted mainly of her brushing her tits up and down my back and then front. She allowed me to fondle and suck her breasts, but said that anywheer else was out of bounds, although when it came to it, she did allow me to touch her pussy. Covered oral followed. Altogether a bit too homely - fine for the older punter, but raunchy NOT.
