The Story:

Treated myself to an hour, bargain at ?100, started off with a quick rub down then onto BJ(with) and Doggy then settled down for a wonderfull quality firm massage, as time went on it became more and more sensul then it was time for the action to begin again, she caught me catching a quick look at the clock, she told me not to worry, we had plenty of time, she then sat on the old fella and ground the life out of me, she knows what she has and knows how to use it! we went overtime but she still made me sit on the edge of the bed while she massaged my neck and shoulders, nice touch.
