Very elegant flat in Sloane Square.

Late 20?s, tall, long flowing blond hair and beautiful eyes. Very attractive with gorgeous figure, shapely legs and large (enhanced) breasts.

The Story:

I spoke to Lisa the day before appt and my vibe was very good as she sounded absolutely lovely. I was not disappointed when I arrived at her flat as she greeted me in a super sexy lingerie, what a way to start. She complimented me on my aftershave and was highly impressed when she guessed precisely what it was from one quick sniff!

The session started with a relaxing bath during which she massaged me with salt scrub and we chatted. After that went back into the bedroom to lie face down on the bed. At this point Lisa removed her lingerie and started performing the massage. The moment she touched me I felt an instant erection! She is indeed VERY skilled! She didn't miss a single inch of my body.. it felt like she was touching me everywhere; an amazing combination of sliding, rubbing and tantalising! the pleasure was just building and building and I couldn't believe the level of arousing I was reaching.. At some point she announced me that she?s going to suck my cock.. adn I could feel her tongue running up and down my cock, slow, then faster and again slow and sensual. This is what I call a mind blowing experience!

Will a go back? Hell..yes!!
