The Lady:

A nice looking bubbly dyed blonde who is quite tall and a size 8 figure.

The Story:

Abi is a lady who I have been meaning to see for a long time after several punters have recommended her to me. I arrived and booked in. Abi is a very friendly and bubbly girl who makes you feel very relaxed. I took a shower while she undressed and lay on the bed seductively.

I joined her on the bed for and immediately was embraced with a deep kissing and caressing session. This moved on to the offer of a massage, which I usually decline but felt like one today. A reasonable attempt at a back massage with lots of fiddling with my balls and bringing me to a hard-on; it was very nice. I then switched over onto my front.

Abi began a cracking owo blowjob, with very good sloppy technique, variable speed and deep throating. It was really very good. After a while we swapped into a up/down and then side-by-side 69. Her pussy was neat and tidy, tasting good and mutual oral pleasure was given and received. The was excellent.

We then moved onto sex. We started with Abi on top in cowgirl where she worded hard and was very good. After a little while I took over (still in the same position) and gave some energetic thrusting from below. We then swapped to missionary for a while and then into doggy. After a while we swapped to doggy but with me standing up and her still on the bed. All was good.

Running out of energy after some frantic thrusting, I returned to the bed where Abi picked up the very good owo BJ. This time with added cock spitting to make it really sloppy. The energetic oral combined with a good hand technique brought me close to climax. To finish I stood over and shot

my load over her boobs. I resisted temptation for a spunky kiss. We both cleaned up, took a shower and returned to Reception.

Overall a cracking punt with a highly skilled and energetic girl. I left very satisfied. Timewise, we were about time or a little over the 30 mins.
