The Premises:

premises clean and safe,if not a little basic and small,more than made up for by low prices, no door fee!!..above Goldseal Windows showroom, so easier to find that.parking down side street opposite (that may not be the best after dark but industrial so fine in work hours / day light)good selection of girls 6, for not a large establishment.(receptionist would make 7, if she works, didn't ask but would on re-visit)

The Lady:

sexy,early 30s,5'6",mid length brunette,size 12,34e natural.good light all over tan,half italian according to web, but sounds all yorkshire,no bad thing in that.pleasant and just the right amount of chatty.

The Story:

Only client at the time (the snow was starting to settle) shown to lounge by dusky receptionist. Girls introduced themselves, blondes and brunetes,short and tall, couple of eastern europeans, all tempting. Chose Jet from based on reviews on here.

Started with a slightly light and brief but basicly decent back masssage.The turn over for some ball massage followed by owo (nb ow is ?45, probably the better option) again basicly decent but not deep and a little brief.Then cow girl while i sucked her truly magnificent tits. A bit of a downside that she would only take about 2/3 of me, she made a (faux?)flattering comment on this.To finish missionary with the same caviat. Nice tight pussy though, so maybe not protesting too much. there is a ?25 full personal quickly offer on a sunday,this would be the way forward for me for a revisit to Jet. I will be visiting again to try some of the other girls.
