The Premises:

1st floor flat in a smart Victorian terrace, 5 mins from Paddington Station. Very clean & tidy; I would be more than happy to have a place like this. It seems that she has moved quite recently.

The Lady:

Love is most attractive - however, she admits that the photos are more than 4 years old. She is also quite a lot older than the (standard) 23 on her details, However, I was really much happier with an experienced woman somewhat nearer my advanced age than I am with some of the youngsters in this profession. She is TINY and I'm sure the given height of 5ft is optimistic!

The Story:

It was a miserable, cold day and I was glad to share a bath with Love. I had almost forgotten the degree of attention one gets with some oriental ladies - even down to the glass of beer in the tub. Then onto the bed and some passionate DFK, followed by a prolonged session of 69 with her on top. Although she is remarkably small in every department, she climbed aboard for some cowgirl and managed to take my member. After a number of position changes, I asked for anal; she was happy to oblige and suggested the reverse cowgirl position. This entry required considerable effort from both of us and to be honest, it felt like a vice (if you'll excuse the pun). All in all a wonderful session, and one that I would happily repeat as and when I can get another alibi.
