The Lady:

Gorgeous lady- long dark brown hair, beautiful face with big brown eyes which had a naughty sparkle-always a good sign. Huge natural breasts and delightful curves about a size 14. Dressed to thrill in black lingerie and about early 30's. Polite, well spoken and thankfully doesn't rabbit on like some.

The Story:

Booked an hour and actually ran over time. Lynn immediately put me at ease and began the session by chatting about what I like etc. This lady is very attentive, sensual and skilled. Not once did she say 'don't do this' and it felt like a natural experience she didn't look at her watch either. I was treated like a king and nothing seemed to be too much trouble.

Unfortunately her uncovered BJ was too good and I finished sooner than i,d planned but she let me recover with a sensual back rub then got me going again for round two. Everything is included in her fee she assured me and true to her word I came several times and enjoyed services i,d normally expect to pay extra for at no extra cost.

Lynn is a classy sexy lady who really does want to please you. I,d highly recommend her and i,ll be back because I get the feeling there is a lot more to her than meets the eye.
