The Lady:

Sally is a stunningly attractive lady in her mid 20's with blonde hair and a lovely smile. Her pictures are accurate.

The Story:

I first met Sally briefly a few weeks ago while waiting for a room to become available at Ego. I was impressed then by how pretty she was, how easy she was to talk to and also how my heartbeat increased when she bent slightly to look out of the window while wearing her short massage tunic. Anyway, I was not disappointed when I returned for a massage with Sally. The highlights are as follows.

Firstly Sally gave an excellent sensual massage which was one of the best I have ever experienced. I won't go into detail as I am sure most people who read field reports know what happens with a sensual massage. She was also able to relieve some aches I had in my shoulders and lower back.

Secondly, as were progressing with the massage, it became apparent that despite the room being warm parts of Sally's skin were quite cold. I expressed my concerns about her skin feeling cold. She said that her arse was cold and suggested that I may like to put my hands on the cheeks of her bum and warm her up. Being a gentleman I gallantly obliged. How could I decline this suggestion from such a gorgeous young woman with a lovely bum? I am not sure how much I succeeded in warming her as touching her bum made my hands cold but it was great fun. I think I was able to help her warm up while my hands cooled with the contact before we moved on to other things.

Thirdly, Sally is such a nice person to talk to. From the moment I saw her I felt relaxed and able to talk about anything from idle chit-chat to more intimate subjects. I find it very rare that I can relate so quickly to a person that I hardly know but Sally put me at ease from the start. The only time I shut up was during the more sensual parts of the massage as I find it difficult to do anything other than enjoy when I am receiving such sensual pleasure. I would quite happily have continued to talk (and continue the massage) with Sally much beyond the allotted time.

Anyway, to sum up I found Sally to be a very pretty young lady with a lovely smile and gorgeous

body who is obviously intelligent, fun to be with and very easy to talk to and get on with. It is rare that you find all these qualities in one person. Thanks Sally. If ever you need your arse warming again I will be first in the queue in front of your many other admirers.
