The Premises:

Very clean spacious up market flat in a nice block on a fairly main road and in a nice area. Quite safe and very discreet.

The Lady:

A platinum blonde in the 20's, with a pretty face, short, petite and with large natural breasts. I had elected to pay above the odds based on her photos which were rather more flattering than her in real life. They must have been taken a few years ago. Anticipation was the best part.

The Story:

I can't really complain, she provided all the services offered.

As requested she wore street clothes, which I had wished to peel off slowly revealing that gorgeous body, but not being as I'd expected it wasn't such a turn-on. After a brief chat I moved closer to her and started to kiss her, which broke the ice. I felt she tolerated rather than enjoyed DFK. Having already undressed, I removed her clothes slowly, kissing her neck and breasts, which she preferred. I then moved south and gave her reverse oral, which she did enjoy and eventually came to a climax. With Adriana coming to climax I became semi-stiff, limited by my thoughts of she falling short of my expectations.

It was her turn to work on me and I must applaud her for her BJ skills and eventually she got me to the point of climax. She was ready for CIM but I elected her to ride me, which we did willingly.

Before I left we chatted for a while and she gave me a hug and a kiss before leaving. All in all I think she was good, but had she been ?40 lower in price and more recent photos I would have felt better about it.
