The Story:

I stripped and took a shower, and layed down on Brooke's massage table. So good to get back to a firm and waist-high surface for a proper massage. I chose oil and not powder. Brooke stripped to a G string and gave a truly delicious warm oily massage as I lay face down, with so-sexy touches to a***hole and balls. Then I was told to turn over. The oil got hotter, and Brooke applied her splendid tits to the massaging process. My erection by now could not be ignored. Her hands were everywhere, and, finally, her lips descended to engulf my manhood. What more can I say? Brooke brought a great deal of pleasure to what otherwise would have been just another Tuesday afternoon...
