The Premises:

Needs no introduction although I must reiterate that it met the usual high quality standards expected from a place of this reputation.

The Lady:

Valerie is an attractive young lady who is quite tall and of proportional build. Because of this, she doesn't look as tall as she really is.

The Story:

I had been longing to see Valerie since the last two years or so, but whenever I had the time; Valerie would be unavailable because of her main residence abroad.

Valerie is usually available only a few days every couple of months or so, as she is from the Czech Republic, where she spends most of her time. Valerie only visits England every now and then.

Anyway, I finally managed to see Valerie for a half hour appointment.

It was my bad luck that I saw Valerie just before she was about to travel to USA as part of her modelling / work tour, so sadly she was not at her best. I thought that whilst we were together, Valerie had her USA trip on her mind and that she was already too tired during her hectic visit to the UK. It must be these factors that played a large part in my not so enjoyable time with Valerie.

Sadly everything about Valerie felt mechanical. The kissing was very shallow, and her eyes were open all the time, confirming how much (or less) she was enjoying.

Besides the substandard kissing, everything else felt substandard and very mechanical.

My session with Valerie was a huge disappointment and I doubt if it is typical of a lady with so many superb reviews. I am sure I must have caught Valerie on a wrong day, otherwise this superstar would never have accumulated so many glowing FRs.

I would have no doubt in recommending Valerie, but for me there are many other ladies to choose from and to repeat with, so I doubt very much if I am going to repeat with Valerie.

The purpose of this FR is not to put off anyone from seeing Valerie. With so many positive FRs, my review ought not to influence anyone. So what's the point of a review like this? Well, all I have to say is that even the best of escorts can have an off day, so punters should never take everything as guaranteed, as my FR clearly shows.

Having said everything above, I must state that this is not a negative FR, but is merely not a very positive one. That's all.

I must add that Annabellas is amongst my favourite agencies so I have no complaints about them whatsoever.

I hope to visit Annabellas again very soon so that I am able to spend time with many of their lovely ladies.
