Curvy Brazilian brunette, about 5'6", she didn't speak very good English at all.

The Story:

When I phoned this establishment I was told that 2 girls were working, Priscilla and Daniela. From the website photo's I always wanted to see Priscilla and so I decided to trek up to London to see her. When I arrived I wasn't greeted by a maid, but by one of the girls and I was immediately suspicious. We went into the room and I asked the girl her name, she told me 'Angela' but I couldn't understand fully. I asked about other girls working that day and she said no one and I complained that I was told 2 different girls when making enquiries. There was a language barrier and she didn't seem to understand me and just kept pressuring me by asking how long I was staying. Well, usually I would of left, but seeing that I had travelled for an hour to get there and she wasn't a complete moose I decided to stay for my intended hours worth of fun.

We started with a massage, then OWO and sex in 2 positions, first with her on top, then finished off with mish but with her legs hooked around my arms. Angela did a decent service, but she seemed to take her time with some things, as if to drag it out. For example, when she removed her bra and knickers, she carefully folded them and placed them on the radiator. Once round 1 was over we lay there for a bit, I tried to make conversation but it was hopeless.

I asked her for a drink of water and she replied with a comment but just stayed there. I asked her if she knew what I said to which she replied "Yes" but still she did nothing. In the end I had to make a drinking action with my hand for her to understand. Again she seemed to take ages to return and I thought about leaving.

When she did return she sat beside me asked if I wanted another massage, to which I said no. Ironically, she knew what I meant and started round 2 by wanking and sucking me. She looked at

her watch a few times then said time was over so I looked at the time, it was only 50 minutes since I entered the flat, so I told her 10 more minutes, but I wasn't really in the mood by now and knew I wouldn't finish in time so I put a stop to the encounter and left.

Not one of the best punts I've and to be honest I felt a bit ripped off by this establishment. Unfortunately I don't think I'll be returning here unless I am 100% the girl I want to see is working or have a backup in case things aren't quite what they seem.
